RECITALS

WHEREAS the Service Provider has issued a Growth Retainer Proposal dated 05 April 2026 (attached hereto as Annexure A) offering routine and other legal services on a fixed monthly retainer basis with complete cost predictability and a monthly cap;

WHEREAS Codezyng and Zupaloop wish to jointly avail the Retainer Services and have agreed to share the cost of the routine monthly retainer in the manner provided herein;

WHEREAS the Parties desire to record the terms and conditions governing the provision of the Retainer Services and the billing mechanism for additional work;

NOW THEREFORE, in consideration of the mutual covenants and agreements contained herein, the Parties hereto agree as follows:

1. Definitions & Interpretation

1.1 "Retainer Services" means the services described in Annexure A, including up to 6 routine contracts per month and 12 free corrections per month, calls, discussions, checklists, and labour compliance support, subject to the quarterly carry-forward and accumulation cap set out in Clause 3.4A.

1.2 "Additional Work" means any work falling outside the routine Retainer Services, including but not limited to 7th and subsequent routine contracts, one-time/major assignments, policy-related documentation (such as Privacy Policy), Data Privacy Agreements, Shareholders/Founders Agreements, Due Diligence, Complex Technology/Licensing Agreements, IP services, or any other work not covered under the monthly retainer cap.

1.3 All capitalized terms not defined herein shall have the meaning assigned to them in Annexure A.

2. Appointment & Scope of Services

2.1 The Service Provider agrees to provide the Retainer Services to Codezyng and Zupaloop jointly in accordance with the terms and conditions set out in Annexure A, including the inclusions, exclusions, revision charges, 20% discount on Additional Work, and the overall monthly cap of ₹40,000 for routine retainer work.

2.2 The scope of services shall be performed with reasonable care, skill and diligence by qualified professionals.

3. Payment and Billing

3.1 Base Monthly Retainer Fee

The Service Provider shall charge a base Monthly Retainer Fee of ₹25,000 (exclusive of GST/RCM) for the routine Retainer Services. This fee, together with any extra revision charges (after the 12 free corrections), shall be invoiced separately on a monthly basis as follows (Default Allocation):

- Codezyng: ₹15,000 + applicable GST / RCM

- Zupaloop: ₹10,000 + applicable GST / RCM

The total amount billed under this Clause 3.1 (base fee + extra revisions) shall in no event exceed ₹40,000 per month (exclusive of GST/RCM), irrespective of the actual volume of routine work performed.

3.2 Adjustment for Uneven Routine Work

If the volume of routine Retainer Services performed for or at the request of one Client materially exceeds the default allocation in any month, the total monthly charges under Clause 3.1 shall be re-allocated proportionally between the two Clients. Proportionality shall be determined reasonably by the Service Provider based on the number and complexity of contracts, revisions, consultations and other routine services attributable to each Client (as recorded in the Service Provider's project log). The Client for whom higher routine work is performed shall bear a correspondingly higher share, and the other Client shall receive credit/adjustment in the same monthly invoice.

3.3 Additional Work

Any Additional Work requested by or performed for a specific Client (whether Codezyng or Zupaloop) shall be billed separately and exclusively to that Client at the applicable Retainer Client rates (20% discount) as set out in Annexure A.

Such Additional Work shall not form part of the monthly ₹40,000 cap and shall be invoiced separately.

Examples of Additional Work include (but are not limited to) Privacy Policy, Data Privacy Agreements, Shareholders/Founders Agreements, Due Diligence, 7th and subsequent contracts, Complex Technology/Licensing Agreements, and IP services.

The Service Provider shall not commence any Additional Work without the prior written approval of the respective Client for whom such work is to be performed. The invoice for such Additional Work shall be raised only to that Client (or in such other proportion as may be mutually agreed in writing by all Parties prior to commencement).

3.4 Excess Routine Work / Threshold Breach

If the aggregate routine Retainer Services required by both Clients in any month exceed the available credits (as determined after applying any carry-forward under Clause 3.4A below), the Service Provider shall promptly notify both Clients. Any such excess routine work shall be treated as Additional Work and billed in accordance with Clause 3.3 above.

The total monthly billing for routine retainer work shall in no event exceed ₹40,000 unless otherwise agreed in writing by all Parties.

3.4A Quarterly Carry-Forward of Unused Routine Credits

(a) Any unused portion of the monthly routine credit entitlement (i.e., the balance of the 6 routine contracts and/or 12 free corrections not utilised in a given month) shall automatically carry forward to the immediately succeeding month(s) within the same financial quarter, subject to the accumulation cap set out in Clause 3.4A(b) below.

(b) The maximum accumulated routine credits available to the Clients at any point within a financial quarter shall not exceed 18 routine contracts and 36 free corrections in aggregate for that quarter, irrespective of actual utilisation in prior months of the same quarter.

(c) For the purposes of this Clause, financial quarters shall be reckoned in accordance with the Indian financial year (i.e., Quarter 1: April–June; Quarter 2: July–September; Quarter 3: October–December; Quarter 4: January–March). All accumulated credits reset to zero at the commencement of each new financial quarter. Unused credits at the end of a quarter shall lapse and shall not be carried forward to the next quarter.

(d) The Service Provider shall maintain and share with the Clients, upon request, a quarterly credit tracker reflecting credits earned, utilised, carried forward, and the balance available for the current quarter.

(e) The carry-forward mechanism operates solely on unused routine credits and does not affect the base Monthly Retainer Fee payable under Clause 3.1, which shall remain due and payable in full each month regardless of credit utilisation.

3.5 Payment Terms

All invoices shall be paid within 45 (Forty-Five) days of receipt.

4. Term

This Agreement shall commence on 01 April 2026 (the "Effective Date") and shall remain in force for the Financial Year 2026-27 unless terminated earlier in accordance with Clause 5.

5. Termination

5.1 Either Client may terminate its participation in this Agreement by giving 30 days' written notice to the other Parties.

5.2 The Service Provider may terminate the entire Agreement by giving 30 days' written notice if any Party commits a material breach and fails to remedy the same within 15 days of notice.

5.3 Upon termination, the Parties shall settle all outstanding dues within 15 days. The provisions of Clauses 6, 7, 8 and 9 shall survive termination.

6. Confidentiality

Each Party agrees to maintain strict confidentiality of all information disclosed by the other Parties in connection with the Retainer Services and shall not disclose the same to any third party without prior written consent, except as required by law.

7. Intellectual Property

All deliverables prepared by the Service Provider shall remain the intellectual property of the Client, subject to the terms of Annexure A.

8. Representations and Warranties

Each Party represents and warrants that it has full power and authority to enter into this Agreement and that the execution and performance hereof will not violate any other agreement to which it is a party.

9. Indemnification

Each party shall indemnify, defend and hold harmless the other from any claims, liabilities, losses or damages arising out of the Client's breach of this Agreement or misuse of the deliverables.

10. Governing Law & Dispute Resolution

This Agreement shall be governed by the laws of India. Any dispute arising out of or in connection with this Agreement shall be subject to the exclusive jurisdiction of the courts at Udupi, Karnataka. The Parties shall first attempt amicable resolution through mutual discussion and arbitration.

11. Miscellaneous

11.1 Entire Agreement: This Agreement together with Annexure A constitutes the entire understanding between the Parties and supersedes all prior agreements.

11.2 Amendment: Any amendment must be in writing and signed by all three Parties.

11.3 Severability: If any provision is held invalid, the remainder shall continue in full force.

11.4 Notices: All notices shall be in writing and sent by email (with read receipt) or registered post to the addresses mentioned above.

11.5 Counterparts & Electronic Execution: This Agreement may be executed in counterparts, including electronically, each of which shall be deemed an original.

IN WITNESS WHEREOF the Parties have executed this Agreement on the date first above written.
