GOVERNMENT OF KARNATAKA GOVERNMENT OF KARNATAKA GOVERNMENT OF KARNATAKA GOVERNMENT OF KARNATAKA GOVERNMENT OF KARNATAKA GOVERNMENT OF KARNATAKA

THE GOPALAN GROUP OF INSTITUTIONS (unit of **Gopalan Foundation ®,** having its administrative office at No.5, Gen.K.S.Thimayya Road, Bengaluru-560025), , located at 181/1, 182/1, Behind SAP Labs, Seetharampalya, Hoodi, Basavanagar, Whitefield, Bengaluru-560048, Karnataka, India (hereinafter referred to as the **'FIRST PARTY/GGI',** which expression shall where the context so admits include its successors, administrators and assigns), **on the First Part;**

AND

AN ASTRAEA INNOVATIVE SOLUTIONS, a partnership Firm (PAN:-ABQFA8504Q, GST: -29ABQFA8504Q1ZK) having its office at Vishwam Sovereign, Doddanagudde, Udupi-576102 (hereinafter referred to as the **'SECOND PARTY/LEXTRIA RESEARCH** which expression shall where the context so admits include its successors, Partners, administrators and assigns), **of the other part.**

GGI & Lextria Research shall be collectively referred to as 'Parties' and individually as a 'Party'.

Preamble

1. Whereas the First Party is a duly established and recognized educational conglomerate engaged in the provision of education in the field of engineering, management, architecture, commerce, and school education. GGI is committed to academic excellence, innovation, research, industry engagement, entrepreneurship, and holistic student development.

2. Whereas the Second Party is a global IP research and analytics firm with litigation expertise along with a focus on Intellectual property protection, enforcement, and commercialization, founded and run by professionals Lextria Research has represented that they endeavour to make available the power of intelligence in the furtherance of R&D and they excel in conducting research in intellectual property (IP) including non-patentable subject matters (grey areas), Geographical Indication (GI) filing of Indian GI products, Trademark trends and to support this multi-disciplinary research along with basic IP enabled. And whereas the Second Party has further represented that Second Party places a premium on transparency and high-quality legal advice at competitive costs with the commitment of the highest ethical and confidentiality standards. That they have a proprietary workshop mode-based patent and paper preparation model and have enabled the same model to train 1000+ participants

3. Whereas, the First Party based on the representation of the Second Party has agreed to avail IP related services from the Second Party. Hence this MOU.

Now this MOU Witnesseth as follows:

1. THE SCOPE OF COLLABORATION:

1. The Parties are entering into this MOU on best efforts basis that sets for the term and conditions under which will engage in a mutually beneficial relationship in works related to intellectual Property Rights. And this MOU is to set out the framework for working relationship between GGI and **Lextria Research.**
2. The details of the IP Academic Area where the parties shall be collaborating is enumerated in Annexure-A.
3. Pursuant to this MOU, in the event of the parties agreeing to proceed with any specific project in connection with the IP designated area, and if required the parties may enter into a definitive agreement incorporating the terms and conditions agreed between the parties, for such specific project collaboration.

2. CONSIDERATION

In consideration of the services provided by Lextria Research, the charges payable by GGI is as enumerated in Annexure-C.

3. NATURE AND EFFECT OF THIS MOU

The Parties hereby acknowledge and agree that:

a) This MOU records the present understanding, commitments, and agreed framework between the Parties in relation to the proposed collaboration as of the Effective Date.

b) The Parties shall act in good faith to implement the objectives, responsibilities, and arrangements contemplated under this MOU.

c) The terms set out herein are intended to govern the conduct and relationship of the Parties pending execution of any (if any) definitive agreement, if required by the Parties.

d) The Parties acknowledge that certain provisions of this MOU, including but not limited to those relating to Confidentiality, Intellectual Property, Payment Obligations,

Liability, Governing Law, and Dispute Resolution, are intended to be binding and enforceable in accordance with their terms.

e) Except where a further definitive agreement is expressly contemplated under a specific clause, the Parties agree that the understandings and obligations recorded herein shall remain operative and effective from the Effective Date.

f) Nothing in this MoU shall be construed as creating a partnership, joint venture, or agency relationship between the Parties unless expressly agreed in writing.

g) This MoU may be supplemented, modified, or replaced by a subsequent written agreement executed by the Parties.

h) Nothing contained herein shall affect or prejudice any separate agreement existing between the Parties as of the Effective Date or entered into thereafter.

4. ROLES & RESPONSIBILITIES OF THE PARTIES:

1. GGI shall provide the necessary academic, administrative, and infrastructural support required for effective implementation of the activities undertaken under this MoU.
2. Lextria Research shall provide domain expertise, technical knowledge, industry insights, and professional resources relevant to the scope of collaboration under this MoU.
3. Any marketing pertaining to the specific activity shall be made with mutual consent. The detailed responsibilities of the parties are enumerated in in Annexure -B

4. CONFIDENTIALITY

Upon execution of this MoU, each Party undertakes to maintain strict confidentiality with respect to all confidential or proprietary information received from the other Party in connection with discussions, negotiations, or implementation of this MoU. For the purposes of this clause, "Confidential Information" shall include, but not be limited to, written or oral information, data, records, documents, databases, personal data, technical know-how, trade secrets, business strategies, methodologies, intellectual property, research outputs, inventions, designs, financial information, marketing plans, and any other information disclosed or made available in connection with this MoU. Neither Party shall disclose, publish, or communicate any Confidential Information to any third party, media outlet, digital platform, or public forum without the prior written consent of the other Party, except where disclosure is required pursuant to an order of

a court, tribunal, or statutory or regulatory authority, in which case prior notice shall be provided to the other Party to the extent permissible by law.

5. TERM/TERMINATION

1) The term of this MOU shall commence from the date hereof (effective date) and shall be valid for a period of 2 (two) years or until replaced by a definitive agreement (as may be applicable), whichever is earlier, unless earlier terminated in accordance with this MoU.
2) Any extension of the period of this MoU shall be subject to an annual performance review based on mutually agreed deliverables and outcomes. Nevertheless, any renewal or extension, if any, shall be affected through written mutual consent of the Parties.
3) This MOU may be terminated by either Party by giving thirty (30) days prior written notice to the other Party.
4) A Party shall be entitled to terminate this MOU if:
   (a) The other Party is in breach of any of its obligations under this MOU and fails to remedy the breach within thirty (30) calendar days after receiving notice in writing specifying the breach; or
   (b) The other Party becomes the subject of bankruptcy, insolvency, liquidation, winding-up, receivership or any similar institute or event.
5) Any termination of this MOU shall not absolve the parties from carrying out their respective obligations agreed before termination, and the parties shall comply accordingly.

6. GENERAL COVENANTS:

a) The Parties shall endeavor in good faith to achieve the Purpose and to give effect to the terms of this MOU
b) Each Party hereby represents and warrants that it is duly constituted, validly existing, and legally competent under applicable laws, and that it possesses full power, authority, and legal capacity to enter into this MOU, to execute its obligations hereunder, and to perform the acts contemplated herein. The execution of this MoU has been duly authorized by all necessary internal approvals of the respective Parties.
c) The Parties agree that this MoU reflects their mutual understanding and intent with respect to the proposed IP related collaboration and services. However, any specific

project, program, or initiative undertaken pursuant to this MoU, then the parties if required shall execute a separate definitive clearly setting forth the rights, responsibilities, financial arrangements, deliverables, and timelines of the Parties. Such project-specific agreement shall supersede all prior discussions, representations, or arrangements relating to that particular project.

d) This MoU is non-exclusive in nature. Nothing herein shall restrict either Party from entering into similar or parallel collaborations, arrangements, or agreements with any third party, provided that such engagements do not materially interfere with or adversely affect the obligations undertaken under this MoU. Both Parties retain the right to offer similar programs or services independently or with other entities, subject to compliance with applicable norms and commitments.

e) Nothing contained in this MoU shall be construed to create a partnership, joint venture, agency, fiduciary, or employer–employee relationship between the Parties. Each Party shall act as an independent entity and shall be solely responsible for its own personnel, operations, and statutory compliances.

f) Any amendment, modification, or revision to this MoU shall be valid only if made in writing and signed by authorized representatives of both Parties. All such amendments shall form an integral part of this MoU and shall take effect from the date of execution unless otherwise specified.

g) Neither Party shall be held liable for failure or delay in performance of its obligations under this MoU if such failure or delay is caused by events beyond its reasonable control, including but not limited to acts of God, natural calamities, epidemics, war, civil unrest, government actions, or labor disturbances. The affected Party shall promptly notify the other Party and take reasonable steps to mitigate the impact.

h) This MOU is the entire agreement between the Parties and supersedes any previous understanding, commitment or agreement, oral or written with respect to the subject matter thereof. No amendment or change to any provision of this MOU, nor consent to any departure by any Party from such provision, shall be effective unless it is made in writing and duly executed by authorized officers of all Parties.

i) **MISCELLANEOUS PROVISIONS**

a) The use of the name, logo, insignia, or trademarks of either Party shall not be permitted without prior written approval.

MANIPAL

b) Each Party shall comply with all applicable statutory, regulatory, and institutional requirements in the performance of this MoU.

c) If a Party becomes unable to perform its obligations due to statutory or regulatory constraints, it shall notify the other Party promptly to explore possible resolutions.

d) This MoU confers no rights upon any third party and may be enforced only by the Parties hereto.

e) This MoU is entered into based on the specific expertise and competence of the Parties and shall not be assigned or transferred, in whole or in part, to any third party without prior written consent of the other Party.

f) If any provision of this MoU is held to be invalid, illegal, or unenforceable, such provision shall be severed, and the remaining provisions shall continue in full force and effect.

g) This MoU may be executed in one or more counterparts, including through electronic means, each of which shall be deemed an original, and all of which together shall constitute one legally binding instrument.

h) Each Party shall retain ownership of its respective intellectual property unless otherwise agreed in writing. If any materials, programs, or services provided under this MoU are alleged to infringe third-party intellectual property rights, the providing Party shall, at its sole discretion and expense, either secure continued usage rights, replace or modify the infringing component, or discontinue the affected portion. In such cases, the affected Party may terminate the relevant agreement without liability, and the providing Party shall indemnify the affected Party for losses arising due to such infringement

7. DISPUTE RESOLUTION

This MoU shall be governed by and construed in accordance with the laws of India. Any dispute arising out of or in connection with this MoU shall first be resolved amicably through mutual discussions and negotiations. In the event such resolution fails, the dispute shall be referred to arbitration in accordance with the Arbitration and Conciliation Act, 1996 and its amendments. The arbitration shall be conducted by a sole arbitrator mutually appointed by the Parties. The seat and venue of arbitration shall be Bangalore, the language shall be English, and the arbitral award shall be final and binding on the Parties.
