Vinod has also undertaken various dedicated Workshops and Seminars for well-established corporates such as Wockhardt, IOC, ITC, TVS Group, CSIR, Glenmark, IOCL, IITs, ONGC, EIL, BPCL, CBI among numerous others. Vinod is also a member of International Trademark Association (INTA). Department of Economic Affair, Ministry of Finance, Govt. of India has also empanelled him for appointment as Special Director on the Board of Sick Industrial Companies.

Tarun Khurana (Partner and Patent Attorney - Software/Electronics/Mechanical Group)

Tarun has over 20 years of experience in a broad range of Intellectual Property (IP) subject matters, and is the Co-Founding Partner and Patent Attorney of Khurana & Khurana (K&K) and of its Patent Research and IP Asset Management Firm, IIPRD, both of which are among the Leading IP and Commercial Law Practices with 10 Offices in India, and over 220 Professionals. The firms also have regional offices in US, GCC/UAE, Thailand, Indonesia, Vietnam, Myanmar, Bangladesh, Malaysia, Sri Lanka, and Nepal. Tarun is ranked among the top Patent Prosecution Practitioners in India by IAM 1000 (and also by IAM 300 Strategists), and focuses on Patent Portfolio Management, Litigation, Valuation and IP Commercialization mandates for numerous Indian and International Corporates ranging from Small Start-ups to Fortune 5 companies including Reliance Jio, Sun Pharma, NATCO, Accenture, Imagination Technologies, Huawei, Indian Oil Corporation, Xiaomi, ABB, ZTE, Fujitsu, Kyocera, SABIC, Indian Institute of Technology (Delhi/Guwahati/Roorkee/Palakkad/Indore/Hyderabad), Emerson, Daimler, Cadence, Airbus, L&T, Glenmark, Simon, IISc, Marico, UPL, Avery Dennison, among many others.

Tarun has a strong experience in Patent Drafting in the domain of Computer Networking and has drafted over 5000 applications in aggregate till date, a strong portion of which are based in the Semiconductor, Networking, Engineering, Database, Cloud, E-commerce, Security and Telecom domains.

Tarun focuses on Electronics, Telecom, Computer Implemented, and Mechanical subject matters, and has also worked with Corporates/Institutes across other technical and business domains as well, He has, apart from handling Indian and International Clients for filing and prosecution matters in India, also actively assisted numerous US and European Law and Licensing Firms and Corporates in providing Patent Support Services such as Conducting Patent Searches, Preparing Claim Charts, Preparing Specifications / responses to offices actions, undertaking Landscape/Analytics, E-Discovery Support among other like mandates that IIPRD focuses on. Tarun is well versed with US, EP, and Indian Patent Laws. Tarun has a Bachelors in Computer Science Engineering from Pune University, a Masters in Software Systems from BITS Pilani, Bachelors in Law, an MBA from IIM Lucknow, and is in pursuit of his PhD. He also has certifications from IIT Delhi, WIPO, Asian School of Cyber Laws, Indian Law Institute,

and International Software Testing Board among many others. Tarun is also a regular speaker at numerous Institutes and Corporates including International Conferences such as GIPC, WIPF, CII, FICCI, along with at entities such as NTPC, Indian Oil Corporation, IITs, TIFAC, DIT, CSIR, Moserbaer, IIM Lucknow, ASSOCHAM, Managing Intellectual Property (MIP), Indian Oil Corporation, NALSAR, ONGC, Delhi Technical University, and Tata Group Companies among many others.

Meenakshi Khurana (Partner and Patent Attorney - Pharmaceutical-Life Sciences Practice Group)

Meenakshi is a Partner and Patent Attorney at Khurana & Khurana and IIPRD with over 18 years of experience in patents. She engages herself in patent application preparation, prosecution, patent infringement and validity opinion practice, FTO, patent licensing studies, and counselling clients in devising global patent strategies. Her main areas of specialization are pharmaceutical, chemical and biotechnology arts including small molecules, new chemical entities, pharmaceutical formulations and drug delivery technologies, crystalline forms, stereo isomers, organic and inorganic chemistry, peptide chemistry, biochemistry and various biotechnology related subject matters. She began her career in patents in 2005 with Panacea Biotech Ltd. in its New Drug Discovery R&D Group and focused on handling Patent Matters ranging from Patent Drafting, Searching, Designing Around strategies, to devising strategies for Patent Filing/Prosecution. Meenakshi is a Registered Patent Agent admitted to practice before the Indian Patent Office. She has a degree of B.Sc. (Chemistry Hons.) and M.Sc. (Chemistry Hons.) from Panjab University. She holds one-year Post Graduate Diploma in Patents Law from NALSAR University and a couple of IP certifications from WIPO. She is also a holder of a degree of Bachelor of Laws. Meenakshi is a member of APAA and ABLE.

Abhishek Pandurangi (Partner and Patent Attorney - Pharmaceutical-Life Sciences Practice Group)

Abhishek is a Partner and an ardent promoter and believer of IPR and has worked in different areas of IPR over a stretch of 15 years as an IP practitioner, entrepreneur, legal expert and a trainer. Abhishek has dealt with various types of IPR matters including Patent Searches, Patent Drafting, Patent Prosecution, Patent Commercialization, Trademark Litigation, Domain Name Dispute Resolution with UDRP, Copyright and Database Infringement Counselling. He started his stint in Intellectual Property with Evalueserve where he worked with several multinationals on their IPR projects, after which he joined Netscribes India to develop their in-house IP team. In 2010 he decided to take a plunge and started his own IPR solutions firm closer2patents, which supported over 300 clients in 16 countries having completed over 1000 IPR projects and is now a part of Khurana & Khurana after a strategic acquisition, making Abhishek a partner and head of Mumbai office of Khurana & Khurana. He also undertakes several IP training & awareness programs at colleges, NGOS and government institutes and is a faculty for IPR at the ICS, Thane of India & MSME Institute, and in his quest to strengthen the IP ecosystem has made submissions to the Governments of India & Japan. He has the distinction of being invited consecutively for the President of India's National awards for his patent pending inventions. In terms of qualification, he is a B.Tech-Chemical from UDCT and a practicing lawyer and a registered Patent Agent.

Mohinder Vig (Partner and Head -Trade Marks, Copyright, Media & Entertainment)

Mr. Vig is a Partner and Senior Trademark Attorney with over 35 years of experience. Mr. Vig specializes in all aspects of Trademark Law with focus on Clearance Searches, Opinions, and Prosecuting TM Applications. Mr. Vig has worked with over 5000 Corporates in India and represented them for Litigation and Opposition cases across TM Offices. Mr. Vig has also worked extensively on advising, negotiating, drafting, vetting and structuring various agreements including media & entertainment work, handling contentious copyright issues etc. Mr. Vig along with other Senior Associates and Associates at Khurana & Khurana, has handled licensing, acquisition, assignment, distribution, co-production of films, music and various other agreements for media & entertainment clients (films and television). He has represented various clients in IP matters and also handles filing and pursuing applications of copyright registration. He

with his rich experience is one of the most important persons in the firm for strategic advice in all legal aspects with respect to media & entertainment including overseas film distribution. Mr. Vig also works with Attorneys that form part of the Worldwide Associate Network of the firm for prosecuting TM Applications for Indian clients overseas. Mr. Vig drafts all responses to office actions and also consults Foreign Attorneys on Trademark issues. Mr. Vig has a B.Com from Delhi University followed by an LLB from Delhi University and practices Litigation at the Bar Council of Delhi.

P Suman (Partner and Head -Trade Marks, Copyright, Media & Entertainment)

Suman is a Partner at Khurana & Khurana and IIPRD. Sumans' practice at Khurana & Khurana focuses on all aspects of Trademark and Copyright. Suman specifically handles Legal Drafting in Opposition Matters, Responses to Examination Reports, Counter Statements, Evidences in TM opposition proceedings, Cease and desist notices, Contracts and agreements and conducting searches of overseas TM registers and providing use and registrability opinions. Suman also prepares legal responses to office actions from WIPO and USPTO, and has also handled hearing at TM registry India alongwith providing legal advice on registration and protection of trademarks in multiple jurisdictions.

Rajesh Jain (Partner and Head - Software/Electronics/Mechanical Group)

Rajesh is a Partner at Khurana & Khurana and IIPRD. He is a graduate in mechanical engineering from IIT Kanpur with 44 years of experience of working in Indian Ordnance Factories, wherein, his job responsibilities involved handling technology related matters like Technology Transfer, Technology Assimilation, Documentation, Product Design and Development, their Trials and Production including selection of Production Technologies, setting up facilities culminating in production. He has worked on varied Products and Production Technologies in the field of Automobiles, Bullet Proof Vehicles, Small Arms, Battle Tanks and Infantry Combat Vehicles-including their Engines, Transmission, Armour and Armament, Vision Devices-Passive as well as Thermal, Laser Range Finders, etc. Currently, at K&K, Rajesh focuses on handling Patentability, Patent invalidation, FTO studies and analyses, technology/patent landscape analysis, Drafting Patent Applications, Due Diligence Studies and preparing Responses to Office Actions for a number of clients in Engineering, Automotive, Mechanical, Electro-mechanical, Materials, and allied industries.

T S Sharat (Director IP & Patent Attorney - Software/Electronics/Mechanical Group)

Sharat is a Patent Attorney with 17 years of experience in Intellectual Property Asset Management (IPAM) with focus on the entire patent life cycle (invention ideation & review, patent intelligence, patentability assessment, inventor interview, patent drafting, foreign filing decision, patent prosecution, foreign prosecution intelligence, licensing potential analysis, infringement analysis, litigation support etc.).

Sharat's expertise lies in end-to-end Patent Portfolio Development/Management. He has drafted and prosecuted thousands of patent applications for US, EU, IN jurisdictions in technical domains such as (but limited to): software, client-server arch., home media, consumer electronics, VLSI circuits, image processing, computer memory architecture, 5G communication protocols & standards, computer networks, cloud computing, AI-based technologies, mechatronics, mechanical systems/apparatus/devices, energy and material sciences, etc.

Sharat has owned and implemented critical processes for IP departments across geographies for Patent Portfolio Development for fortune 100 companies. He introduced innovative business models for optimum utilization of in-house patent resources and outside counsel resources over a significant scale (# assets >5000) and successfully collaborated with multiple stakeholders to execute such models.

Sharat has trained/mentored numerous patent agents, attorneys, engineers and scientists on patenting, patent drafting & prosecution, claim interpretation, patent law, emerging best practices, etc. He created and led the single largest team in India for drafting and prosecution to deliver high volume prosecution

and drafting services (~3000+ US/Global OA responses/year and ~200 patent applications/year) for a Japanese consumer electronics giant (also one of top 5 fliers in US).

Sharat has also led multi-million $ engagements with fortune 100 companies for Patent Portfolio Management/Development and achieved IP budget savings of up to 30% while adding value with unique blend of innovative IP service offerings, trained human capital and disruptive technology tools.

Sharat is very passionate about technology and its use in gaining efficiency and improving quality in IP transactions. As a subject matter expert, he implemented a rare amalgamation of patent expertise and technology (+ data science) in IP Asset management disrupting the patent prosecution space to gain process and spend efficiency of ~25%.

Sharat regularly collaborates with Patent attorneys, in-house counsels, Chief Patent counsels, CIPOs, Licensing executives/attorneys, Patent Portfolio managers to formulate and execute IP strategies, aligning IP Asset Management with Business and Strategic imperatives, and achieving CTO/CIPO/CFO goals.

Sharat is the Director of IP and Patent Attorney at Khurana & Khurana (K&K) and of its Patent Research and IP Asset Management Firm, IIPRD. Ranked among the top Patent Prosecution Practitioners in India, Sharat focuses on Patent Portfolio Development & Management, Patent Litigation, Patent Valuation and IP Commercialization for Multinational Companies, Law firms, Start-ups etc in the high-tech domain.

Swapnil Sanap (Partner - Software/Electronics/Mechanical Group)

Swapnil is an Associate Partner at Khurana & Khurana, Advocates and IP Attorneys and IIPRD. Swapnil is a software engineer with Bachelor of Engineering (B.E.) degree & Master of Engineering (M.E.) degree in Information Technology from Savitribai Phule Pune University (SPPU), formerly the University of Pune, and has over 11+ years of experience in IPR domain.

Swapnil has worked for Indian, US, Chinese, Australian, German & Canadian clients for projects such as but not limited to patent research, patent drafting, preparing response to office actions etc. He has worked in domains like Electronics, Telecommunication, Software, Mechanical, Instrumentation, Automobile, Semiconductor, and Electrical for patent research, drafting of patent applications and office action projects. His primary responsibilities in the firm includes patent drafting, office action response drafting, prior art searches, Infringement Analysis, clearance searches, and on projects relating to sophisticated technologies ranging from electronics, computer sciences, IT, electronics and telecommunication, mechanical, biomedical devices, and business method domain.

Swapnil is currently focused on product conceptualization, getting early adopters in firm, client acquisition, Business development, building team, creating business systems / business processes and facilitating start-up in Maharashtra, Gujarat & Goa Jurisdictions for motivating and assisting them in filing of various IPR's in best of their interest.

Swapnil has written several articles, has several publications, as IEEE research papers in the domain of network security, to his credit in leading journals and conferences with ISBN and ISSN numbers. He has also been speaker in more than 10 national conferences, academic institutions and corporate, such as but not limited to, YMCA University of Science & Technology - Department of Electronics and Information Technology (DeitY), Ministry of Communication and Information Technology, Government Of India, Amity Innovation Facilitation Centre- Amity University - National Research Development Corporation (NRDC), K studio Solutions Private Limited, Dr. D.Y. Patil College of Engineering (DYPIE) & Sinhgad Technical Education Society.

Abhijeet Deshmukh (Partner and Advocate - Litigation)

Abhijeet Deshmukh is a Partner with Khurana & Khurana, Advocates and IP Attorneys. He heads Commercial and Corporate law practice at the firm. He specializes in all aspects of Intellectual Property, Contractual laws, Corporate Advisory and Litigation with focus on IP and Commercial disputes; UDRP

disputes; Prosecution of Trademark and Copyright Applications. He has worked with more than 3000 Corporates in India and represented them in Litigation and Opposition cases across TM Offices. He represented clients in disputes pertaining to IP and Commercial Law at Various Judicial and quasi-judicial Authorities across India. He has also worked extensively on advising, negotiating, drafting, vetting and structuring various Agreements related to Intellectual Property laws such as Technology Transfer Agreements, IP Assignment Agreements, Strategic Alliance Agreements, Collaborative Research Agreements, Non-Disclosure Agreements, Agreements related to Media and Entertainment Law, Commercial agreement such as Joint Venture Agreements, Franchise Agreements, Share Purchase Agreements, Contract Manufacturing agreements inter alia. Abhijeet has an LLM from Symbiosis International (Deemed University).

Tapan Shah (Partner - Pharmaceutical-Life Sciences Practice Group)

With more than 12 years of experience in providing specialized services in Patents and related Intellectual Property Rights, Tapan holds expertise in the technical domains of Organic Chemistry, Medicinal Chemistry, Pharmaceuticals, Biotechnological products and Medical Devices. He holds Master's Degree with specialization in Medicinal Chemistry from National Institute of Pharmaceutical Education and Research (NIPER, Mohali). Prior to joining the team of Khurana & Khurana and IIPRD, Tapan has worked as Assistant Manager (Operations) at Effectual Services Pvt. Ltd. Being a Registered Patent Agent and an Advocate, he practices before the Indian Patent Office and has been actively involved in client counselling, preparing patent specification, undertaking prosecution and hearing mandates, instituting and representing clients in opposition (pre-grant and post-grant oppositions) and revocation proceedings, and rendering Patent infringement and other opinions. Tapan has diverse experience in devising and assisting Fortune 500 Pharmaceutical and Chemical companies, US and European Law firms, independent patent attorneys and In-house patent counsels towards development and commercialization of products and processes.

Antony David (Partner - Pharmaceutical-Life Sciences Practice Group)

Antony is an Partner at Khurana & Khurana. He is a registered Indian patent agent and has over 18 years' experience in patent matters in the fields of chemistry, pharmaceuticals and life-sciences. He has extensive experience in the full range of patent services including patent specification drafting, worldwide patent prosecution and opposition, patentability assessment, infringement analysis and freedom-to-operate investigations. He previously worked as in-house patent professional in research based pharmaceutical and chemical companies, including Neuland Laboratories and Shasun Pharmaceuticals. Prior to entering the patent field, he gained hands-on experience in pharmaceutical research and development, particularly synthesis, purification and characterization of organic molecules and active pharmaceutical ingredients, with Orchid Chemicals and Pharmaceutical Ltd. Antony post-graduated from Bharathidasan University, Tamil Nadu specializing in Chemistry. He is a certified Patent Agent with Indian Patent Office and also holds PG diploma in patents law from NALSAR University of Law Hyderabad.

Mr. Anubhav Gupta (Partner –Corporate, Taxation and Valuation)

Anubhav heads the Tax practice at Khurana & Khurana and has core experience in handling taxation advisory & litigation matters (both Direct & Indirect Taxation) with a key focus on Goods & Service Tax (GST). Anubhav also advises startups, MSMEs, PSUs, MNCs and other business with Advisory in Corporate and Commercial Law domain, including but not limited to incorporation, drafting and negotiation of key business agreements/ documents, structuring of transactions, etc.

Anubhav specializes in streamlining complex and multilayered transactions and has successfully advised many clients, ranging from Fortune 500 Companies to MSMEs, Startups, High Net-worth Individuals, etc. to achieve a tax efficient and legally compliant position for their high value transactions. Anubhav has extensive experience in conducting due diligence and legal and tax reviews.

Anubhav regularly assists his clients during their routine assessment proceedings and subsequent appellate proceedings, filing of refund claims, etc. He also assists his clients during various audits and reviews conducted by Indirect Tax Authorities, etc. Anubhav also assists and represents his clients during investigation proceedings conducted by Revenue and Intelligence Authorities. Further, he has assisted multiple clients during proceedings initiated under the Prohibition of Benami Property Transactions Act, 1988.

Anubhav has in depth sectoral experience w.r.t. Real Estate, EPC & Construction, AlcoBev, IT, Auto Components, Energy, Metals & Minerals, Pharma, FMCG, Fintech, Crypto, e-Wellness, etc and is well versed with the various tax and legal issues and recent developments for such sectors. Anubhav also helps Foreign Businesses with designing their inbound and outbound strategy w.r.t their interests in India.

Anubhav also possesses considerable experience in drafting and vetting of strategic documents to help businesses mitigate tax and legal complications.

Anubhav is a practicing Advocate, alumnus of the prestigious Campus Law Centre, Faculty of Law, University of Delhi. Additionally, he is a qualified Chartered Accountant, Cost Accountant, and a certified Information System Auditor (ISA-ICAI), and appears regularly before the Tax Tribunals, NCLT, High Courts & Commercial Courts.

Pharmaceutical-Life Sciences/Biotechnology Practice Group

Abhishek Pandurangi (Partner and Patent Attorney - Pharmaceutical-Life Sciences Practice Group)

Abhishek is a Partner and an ardent promoter and believer of IPR and has worked in different areas of IPR over a stretch of 15 years as an IP practitioner, entrepreneur, legal expert and a trainer. Abhishek has dealt with various types of IPR matters including Patent Searches, Patent Drafting, Patent Prosecution, Patent Commercialization, Trademark Litigation, Domain Name Dispute Resolution with UDRP, Copyright and Database Infringement Counselling. He started his stint in Intellectual Property with Evalueserve where he worked with several multinationals on their IPR projects, after which he joined Netscribes India to develop their in-house IP team. In her brief association with Advocate Ritisha Mukherjee, Attorney Media & Entertainment Law, she assisted in conducting script clearance, OTT Compliances, and drafting of Domestic and Overseas Film Distribution Agreements, Music Distribution Agreements, Legal opinions, amongst others. Currently, she is also handling compliance mandates for Start-ups and R&D entities, including Applications for DSIR Recognition, SIRO Recognition, and Application for use of Make in India logo.

Harsha has an LL.M. in IPR from National Law University, Jodhpur, and earned a “Gold-Medal” for her exemplary performance. She is a WIPO alumna and was honoured to be one of the top 52 candidates from around the globe and one of the youngest and highest ranked participants from India in the 12th Advanced International Certificate Course (AICC) on “IP Asset Management for Business Success”, organized by WIPO, KIPO, KIPA, and KAIST, in 2021. WIPO gave her the opportunity to actively engage in healthy discussions and negotiations related to licensing of IP with people from different demographics & backgrounds. She also has a keen interest in designing & drafting customized Trade-Secret Protection Policies for companies and their employees with identified trade secrets/confidential information.

Ashish Laxmanrao Kankal (Associate - Litigation)

Ashish is an Associate working with the Litigation team at Khurana & Khurana. He did his graduation in B.Pharmacy from the AISSMS College, Pune University, Pune, and post-graduation M.Pharmacy from ALRAD COP, Pune University, Pune. He also holds a LL.B. degree from TMV's Law College, Pune. He has past experience of internships under various Advocates and law firms. He is actively involved in contract drafting and vetting and appearing before the courts for various litigation matters. His area of practice focuses on preparing FER responses for Patents, Trademark prosecution, and infringement, dealing with commercial matters, due diligence, and handling client queries.

Anuja Saraswat (Associate - Litigation)

Anuja Saraswat is an Associate working with the Litigation team at Khurana & Khurana. She has graduated with a B.A.LL.B. (Hons.) degree from Narsee Monjee Institute of Management Studies, Kirit P. Mehta School of Law, Mumbai. She is also specialized in Intellectual Property Laws. She has prior experience as an intern at various law firms including but not limited to K&S partners and Inttl Advocare where she has worked along with the trademark litigation as well as prosecution team. She also holds experience in vetting and drafting Legal Agreements.

Samrat Singh Kang (Associate - Litigation)

Samrat is an Associate working with the Litigation team at Khurana and Khurana. He graduated as one of the top three candidates during his time at Law School and holds a WIPO Certification in Intellectual Property, is a dynamic IP Attorney with three years of invaluable experience in Intellectual Property prosecution, strategy development, and landscape analysis. He also possesses instrumental experience in litigation, having recently been involved in major cases at Delhi High Court, Allahabad High Court, Delhi District Courts, and DRT. In addition to his litigation proficiency, Samrat has contributed to the firm in various capacities, including drafting and reviewing legal documents for clients in the Corporate and Banking sectors, issuing Legal Notices related to IP and Employment matters, and providing advisory and strategies for IP licensing and commercialization. His versatile skills also benefit the firm in Data Privacy and Protection mandates.

Anvita G Joshi (Jr. Associate - Litigation)

Anvita G. Joshi is an Associate working with the Litigation team at Khurana and Khurana. Having graduated with a B.A., LL.B. degree from Symbiosis Law School, Hyderabad in 2022, she is enrolled in the Karnataka State Bar Council. She is experienced in the field of IPR prosecution and has handled matters before the Trade Marks Registry. She is skilled at legal research, drafting and client advisory.

Given Anvita's passion for IPR, she has now diversified her practice into IP litigation before the courts of Karnataka.

Technical-Software/Electronics/Mechanical Group

Tarun Khurana (Partner and Patent Attorney - Software/Electronics/Mechanical Group)

Tarun has over 20 years of experience in a broad range of Intellectual Property (IP) subject matters, and is the Co-Founding Partner and Patent Attorney of Khurana & Khurana (K&K) and of its Patent Research and IP Asset Management Firm, IIPRD, both of which are among the Leading IP and Commercial Law Practices with 10 Offices in India, and over 220 Professionals. The firms also have regional offices in US, GCC/UAE, Thailand, Indonesia, Vietnam, Myanmar, Bangladesh, Malaysia, Sri Lanka, and Nepal. Tarun is ranked among the top Patent Prosecution Practitioners in India by IAM 1000 (and also by IAM 300 Strategists), and focuses on Patent Portfolio Management, Litigation, Valuation and IP Commercialization mandates for numerous Indian and International Corporates ranging from Small Start-ups to Fortune 5 companies including Reliance Jio, Sun Pharma, NATCO, Accenture, Imagination Technologies, Huawei, Indian Oil Corporation, Xiaomi, ABB, ZTE, Fujitsu, Kyocera, SABIC, Indian Institute of Technology (Delhi/Guwahati/Roorkee/Palakkad/Indore/Hyderabad), Emerson, Daimler, Cadence, Airbus, L&T, Glenmark, Simon, IISc, Marico, UPL, Avery Dennison, among many others.

Tarun has a strong experience in Patent Drafting in the domain of Computer Networking and has drafted over 5000 applications in aggregate till date, a strong portion of which are based in the Semiconductor, Networking, Engineering, Database, Cloud, E-commerce, Security and Telecom domains.

Tarun focuses on Electronics, Telecom, Computer Implemented, and Mechanical subject matters, and has also worked with Corporates/Institutes across other technical and business domains as well, He has, apart from handling Indian and International Clients for filing and prosecution matters in India, also actively assisted numerous US and European Law and Licensing Firms and Corporates in providing Patent Support Services such as Conducting Patent Searches, Preparing Claim Charts, Preparing Specifications / responses to offices actions, undertaking Landscape/Analytics, E-Discovery Support among other like mandates that IIPRD focuses on. Tarun is well versed with US, EP, and Indian Patent Laws. Tarun has a Bachelors in Computer Science Engineering from Pune University, a Masters in Software Systems from BITS Pilani, Bachelors in Law, an MBA from IIM Lucknow, and is in pursuit of his PhD. He also has certifications from IIT Delhi, WIPO, Asian School of Cyber Laws, Indian Law Institute, and International Software Testing Board among many others. Tarun is also a regular speaker at numerous Institutes and Corporates including International Conferences such as GIPC, WIPF, CII, FICCI, along with at entities such as NTPC, Indian Oil Corporation, IITs, TIFAC, DIT, CSIR, Moserbaer, IIM Lucknow, ASSOCHAM, Managing Intellectual Property (MIP), Indian Oil Corporation, NALSAR, ONGC, Delhi Technical University, and Tata Group Companies among many others.

Rajesh Jain (Partner and Head - Software/Electronics/Mechanical Group)

Rajesh is a Partner at Khurana & Khurana and IIPRD. He is a graduate in mechanical engineering from IIT Kanpur with 44 years of experience of working in Indian Ordnance Factories, wherein, his job responsibilities involved handling technology related matters like Technology Transfer, Technology Assimilation, Documentation, Product Design and Development, their Trials and Production including selection of Production Technologies, setting up facilities culminating in production. He has worked on varied Products and Production Technologies in the field of Automobiles, Bullet Proof Vehicles, Small Arms, Battle Tanks and Infantry Combat Vehicles-including their Engines, Transmission, Armour and Armament, Vision Devices-Passive as well as Thermal, Laser Range Finders, etc. Currently, at K&K, Rajesh focuses on handling Patentability, Patent invalidation, FTO studies and analyses, technology/patent landscape analysis, Drafting Patent Applications, Due Diligence Studies and preparing Responses to Office Actions for a number of clients in Engineering, Automotive, Mechanical, Electro-mechanical, Materials, and allied industries.

T S Sharat (Director IP & Patent Attorney - Software/Electronics/Mechanical Group)

Sharat is a Patent Attorney with 17 years of experience in Intellectual Property Asset Management (IPAM) with focus on the entire patent life cycle (invention ideation & review, patent intelligence, patentability assessment, inventor interview, patent drafting, foreign filing decision, patent prosecution, foreign prosecution intelligence, licensing potential analysis, infringement analysis, litigation support etc.).

Sharat's expertise lies in end-to-end Patent Portfolio Development/Management. He has drafted and prosecuted thousands of patent applications for US, EU, IN jurisdictions in technical domains such as (but limited to): software, client-server arch., home media, consumer electronics, VLSI circuits, image processing, computer memory architecture, 5G communication protocols & standards, computer networks, cloud computing, AI-based technologies, mechatronics, mechanical systems/apparatus/devices, energy and material sciences, etc.

Sharat has owned and implemented critical processes for IP departments across geographies for Patent Portfolio Development for fortune 100 companies. He introduced innovative business models for optimum utilization of in-house patent resources and outside counsel resources over a significant scale (# assets >5000) and successfully collaborated with multiple stakeholders to execute such models.

Sharat has trained/mentored numerous patent agents, attorneys, engineers and scientists on patenting, patent drafting & prosecution, claim interpretation, patent law, emerging best practices, etc. He created and led the single largest team in India for drafting and prosecution to deliver high volume prosecution and drafting services (~3000+ US/Global OA responses/year and ~200 patent applications/year) for a Japanese consumer electronics giant (also one of top 5 fliers in US).

Sharat has also led multi-million $ engagements with fortune 100 companies for Patent Portfolio Management/Development and achieved IP budget savings of up to 30% while adding value with unique blend of innovative IP service offerings, trained human capital and disruptive technology tools.

Sharat is very passionate about technology and its use in gaining efficiency and improving quality in IP transactions. As a subject matter expert, he implemented a rare amalgamation of patent expertise and technology (+ data science) in IP Asset management disrupting the patent prosecution space to gain process and spend efficiency of ~25%.

Sharat regularly collaborates with Patent attorneys, in-house counsels, Chief Patent counsels, CIPOs, Licensing executives/attorneys, Patent Portfolio managers to formulate and execute IP strategies, aligning IP Asset Management with Business and Strategic imperatives, and achieving CTO/CIPO/CFO goals.

Sharat is the Director of IP and Patent Attorney at Khurana & Khurana (K&K) and of its Patent Research and IP Asset Management Firm, IIPRD. Ranked among the top Patent Prosecution Practitioners in India, Sharat focuses on Patent Portfolio Development & Management, Patent Litigation, Patent Valuation and IP Commercialization for Multinational Companies, Law firms, Start-ups etc in the high-tech domain.

Swapnil Sanap (Partner - Software/Electronics/Mechanical Group)

Swapnil is a Partner at Khurana & Khurana, Advocates and IP Attorneys and IIPRD. Swapnil is a software engineer with Bachelor of Engineering (B.E.) degree & Master of Engineering (M.E.) degree in Information Technology from Savitribai Phule Pune University (SPPU), formerly the University of Pune, and has over 11+ years of experience in IPR domain.

Swapnil has worked for Indian, US, Chinese, Australian, German & Canadian clients for projects such as but not limited to patent research, patent drafting, preparing response to office actions etc. He has worked in domains like Electronics, Telecommunication, Software, Mechanical, Instrumentation, Automobile, Semiconductor, and Electrical for patent research, drafting of patent applications and office action projects. His primary responsibilities in the firm includes patent drafting, office action response drafting, prior art searches, Infringement Analysis, clearance searches, and on projects relating to

sophisticated technologies ranging from electronics, computer sciences, IT, electronics and telecommunication, mechanical, biomedical devices, and business method domain.

Swapnil is currently focused on product conceptualization, getting early adopters in firm, client acquisition, Business development, building team, creating business systems / business processes and facilitating start-up in Maharashtra, Gujarat & Goa Jurisdictions for motivating and assisting them in filing of various IPR's in best of their interest.

Swapnil has written several articles, has several publications, as IEEE research papers in the domain of network security, to his credit in leading journals and conferences with ISBN and ISSN numbers. He has also been speaker in more than 10 national conferences, academic institutions and corporate, such as but not limited to, YMCA University of Science & Technology - Department of Electronics and Information Technology (DeitY), Ministry of Communication and Information Technology, Government Of India, Amity Innovation Facilitation Centre- Amity University - National Research Development Corporation (NRDC), K studio Solutions Private Limited, Dr. D.Y. Patil College of Engineering (DYPIE) & Sinhgad Technical Education Society.

Lalit Kumar (Associate Partner - Software/Electronics/Mechanical Group)

Lalit is working in the capacity of a Associate Partner at IIPRD and Khurana &Khurana. He is registered with the Indian Patent Office as a Patent Agent [INPA-2425] and holds a Master's degree in Telecom technology, a Bachelor's degree in Electronics and Communications, along with LLB. He primarily deals in conducting all types of searches in the Computer/Electronics/Electrical/Mechanical domains such as conducting Patentability Searches, Validity Searches, Freedom-To-Operate Searches, Infringement Analysis/Evidence of Use/Claim Charts preparation, Due-Diligence, Portfolio Management, Landscape, among others. In addition, he coordinates with inventors/clients to understand their needs, and manages/mentors a team of Associates for the swift delivery of project deliverables.

Parvez Kudrolli (Principal Associate - Software/Electronics/Mechanical Group)

Parvez Kudrolli is a Principal Associate at Khurana & Khurana and IIPRD. His expertise lies in consultancy, business development and client relationships relating to Patent Drafting, Searches, Analysis, Prosecution, Training and Commercialization. Parvez has been an Inventor, Patentee and Entrepreneur and has obtained patents for his inventions in India & USA. He has experience of developing & inventing software related inventions, drafting & prosecuting patent applications, conducting patent workshops, commercializing patent rights and managing a Software IPR related Startup Company. He has a degree in B.Sc. (Maths) and is a Registered Patent Agent admitted to practice before the Indian Patent Office.

Kuldeep Singh (Principal Associate - Software/Electronics/Mechanical Group)

Kuldeep is a Principal Associate at Khurana & Khurana. He is a Registered Patent Agent (IN/PA 2773) and an Advocate (Reg. No. D/842/2020). Kuldeep holds a Master's degree and a Bachelor's degree in Electronics and Communications Engineering along with Bachelor's degree in Law. Kuldeep has over 9 years of experience in Indian Patent prosecution relating to technologies in the field of electronics, telecommunication, mechanical, software, ecommerce, Instrumentation, automobile, medical devices and electrical. He has mainly focused on responses to FER, attending hearings before the Controller and client queries. Kuldeep was also a research Associate at Indian Institute of technology (Delhi) and has 2.5 years of research experience in wireless communication. Kuldeep has one research publication in International journal and also presented a research paper at a national conference on wireless communication and VLSI Design. Prior to Khurana & Khurana, Kuldeep has worked with Perfexio legal (Noida), Groser & Groser (Gurugram), Remfry and Sagar (Gurugram) and Kan and Krishme (Delhi) Law firms.

Prasad Karhad (Senior Associate - Software/Electronics/Mechanical Group)

Prasad is a Senior Patent Associate at Khurana & Khurana. He is a Registered Patent Agent India (IN/PA 2352) with Bachelor's degree in electronics and telecommunication engineering. He has over 14 years of experience in patent matters relating to technologies in the field of electronics, semiconductor, telecommunication, mechanical, software, ecommerce, Instrumentation, automobile and electrical. He has expertise in Patent drafting, Novelty searches, Patent invalidity searches, Freedom-to operate search (FTO), Patent claim chart preparation / claim analysis, Patent infringement analysis, Office Action Responses and patent portfolio management. He has worked with Legasis services Pvt. Ltd, Brain League IP Services Pvt. Ltd. and IMC Global Technology Services Pvt. Ltd. Prasad is working with Khurana & Khurana since 3 years as a Senior Patent Associate and handling responsibilities of business development, client communication along with patent research and drafting.

Sanjay Sharma (Senior Associate - Software/Electronics/Mechanical Group)

Sanjay Sharma is an IP strategist with 10+ years of experience in helping inventors and corporate protect, assert and monetize their inventions globally. Sanjay has extensive experience in designing customized patent support services related to patent development, acquisition and enforcement. He has hands-on experience in technology research & analytics, technology assessment, technology landscape, technology road-map, technology scouting, market feasibility research. Sanjay has worked closely with individual inventors, IP lawyers, Patent Professionals as well as with corporate counsels, R&D teams, in-house IP teams and advised them on IPR and post-grant review cases, portfolio management, patent-product overlap analysis, out-licensing of technologies etc. Sanjay has proven technological expertise in Semiconductor, Network Devices, Communication Protocols, Memory Devices, A.I, Autonomous Vehicles, Block- chain, Green Tech, Electronics, Software and ICT domains amongst others.

Sathish Kumar (Senior Associate - Software/Electronics/Mechanical Group)

Sathish Kumar is a Senior Associate at IIPRD and Khurana & Khurana, Advocates and IP Attorneys. He has over 7 years of immense experience in Intellectual Property Rights. He handles projects involving Novelty/Patentability, FTO Searches, Validity/Invalidity Searches, Infringement analysis, Claim Chart, State of Art Search, Competitor Analysis and Landscape studies. He holds expertise in the technical domains of Electronics, Semiconductors, Wireless communication, Mobile communication, Software, Automotive electronics, Bio-Medical electronics, Mobile Application, IoT and among other allied technologies. He is a Graduate in Electronics & Communication Engineering from Karpagam University, Coimbatore and also holds PG diploma in IPR from Tamil Nadu Open University, Chennai.

Manish Kumar (Senior Associate - Software/Electronics/Mechanical Group)

Manish Kumar is an experienced Senior Associate at Khurana & Khurana, Advocates and IP Attorneys (K&K) and IIPRD. He is skilled in Patent Drafting, Patent Prosecution, Invention Ideation, and Review. Manish has been working with and handling portfolios of various technical and research organizations, Institutions, as well as International Companies. Manish has been mentoring freshers for many years now and has helped them learn the basics, requirements, and techniques of Patent Drafting and Prosecution. He has strong reasoning and analytical skills with M.Tech. in Nanoscience and Technology from Delhi Technological University (Formerly DCE), Delhi, and a B.E degree in Electrical & Electronics Engineering (EEE) from BIT Raipur, CG. He has two published research papers in reputed IEEE journals in the field of Plasma Physics and Graphene synthesis.

Sanath MV (Senior Associate - Software/Electronics/Mechanical Group)

Sanath M V is a Senior Associate at IPRD and Khurana & Khurana, Advocates and IP Attorneys. He has over 6 years of experience in dealing with prior art/patentability search, Freedom-to-Operate (FTO), invalidity, infringement analysis, State-of-Art (SoA)/landscape analysis, evidence of use (EoU), Office Action/FER Responses and drafting provisional/complete specification for various jurisdictions. He holds expertise in the technical domains of Electronics, Electricals, Telecommunication, Software, Mechanical,

Instrumentation, Automobile, Semiconductor, Wireless communications, Block chain, IoT, Artificial intelligence, Bio medical, and among other allied technologies. He holds a bachelors' degree in Electronics and Communication Engineering from Visvesvaraya technological university (Karnataka), and master's degree (PG diploma) in Microelectronics from Newcastle university, United Kingdom. Currently he is also pursuing law degree (LL. B) from Karnataka state law university. Prior to Khurana & Khurana, he has worked with K&S partners, Banana IP counsels, Einfolge, and ipMetrix consulting firm.

Shubhangi Dhakane (Senior Associate - Software/Electronics/Mechanical Group)

Shubhangi is a Senior Associate at IIPRD and Khurana & Khurana dealing with patent matters related to Software/Electronics domain. She handles projects involving Novelty/Patentability Studies and Validity/Invalidity Searches, for both Global Corporates and International IP Law Firms. She also focuses on technologies relating to GPS, Navigation Devices, MEMS Displays, LED's, among other allied technologies. Shubhangi has an Electronic and Telecommunication degree from University of Pune and, prior to joining, has over 3 years of experience working as Embedded System Software Engineer (R&D). Shubhangi focuses extensively on core Semiconductor technologies pertaining to aspects such as trigger diodes, TTL, switched resistor networks, communication interface systems, ADCs, and FFs.

Sonam Khan (Senior Associate - Software/Electronics/Mechanical Group)

Sonam is a Senior Associate at Khurana & Khurana and IIPRD. She has over 5 years of experience in conducting all types of searches in the Computer/Electronics/Electrical/Mechanical domains such as conducting Patentability Searches, Validity Searches, Freedom-To-Operate Searches, Infringement Analysis/Evidence of Use/Claim Charts preparation, Due-Diligence, Portfolio Management, Landscape among others. Sonam had served Academics career for more than two years as an Assistant Professor in Greater Noida Institute of Technology, Greater Noida. She has a good academic career with M.Tech in Computer Science Engineering and apart from it Salesforce Platform Developer I certified as well.

Shivangi Atrey (Senior Associate - Software/Electronics/Mechanical Group)

Shivangi Atrey is a Senior Associate with Khurana & Khurana and has more than 4 years of experience in dealing with Patent searching, FTO, Landscape, Invalidity, Patentability, Patent infringement analysis, State-of-art (SoA), Design search, Evidence of use (EoU), Office Action Responses and Competitor portfolio analysis in electronics/communication/software fields. She has worked in domains like Electronics, Telecommunication, Software, Mechanical, Instrumentation, Automobile, Semiconductor, and Electrical for patent research, drafting of defensive publications and office action projects. Shivangi holds a bachelor's degree in Electronics and Communication Engineering and a master's degree in Wireless Communication. She is pursuing LLB too. Prior to Khurana & Khurana, she has worked with AnovIP, Green Park - New Delhi.

Eashwer Athresh (Senior Associate - Software/Electronics/Mechanical Group)

Eashwer is a Senior Associate at Khurana & Khurana. He has a BE in Mechanical Engineering from Visvesvaraya Technological University (VTU), Karnataka, and an M.Eng in Material Science and Engineering from Nanyang Technological University (NTU), Singapore. e has an experience of over 7 years in the field of Intellectual Property. He worked at the IP Office at the Indian Institute of Science, where his experience included conducting Patentability searches, IP mining and IP Licensing. He has extensive experience in drafting and prosecuting patent applications for India, Europe and the US. He has worked in multiple related domains including – optics, thin films, nanotechnology, nano-devices, MEMS, IC circuits, industrial packaging, solar cells, mechanical, automobile technologies, robotics, 3D printing technologies, electronics, telecommunication, AI, ML enabled systems, IoT enabled systems and other related domains.

Priya Chauhan (Senior Associate - Software/Electronics/Mechanical Group)

Priya is a registered patent agent with more than 8 years of experience in the field of patent law, she works with clients across various fields of technology including computers, electrical, electronics, telecommunications and software though the last two are especially strong areas of focus. Her practice includes, conducting patentability searches, drafting, filing and prosecuting patent applications. In this connection she appears regularly before the Patent Office. Prior to joining the firm, Priya worked as a Senior Associate in Remfry & Sagar law firm. Priya also worked as a Project Fellow at the Indian Institute of Technology, Roorkee. Priya loves to explore different places and cuisines. Once in a while, she likes to bake as well.

Sunil Kumar Singh (Senior Associate - Software/Electronics/Mechanical Group)

Mr. Sunil started his career with Indian Air Force under Electronic stream to maintain serviceability of airborne radar systems fitted in MIG-23 and MIG-29 aircraft. He was trained in Russia for the major overhauling course in MIG-29 aircraft. Took voluntary retirement after 21 years of service. Later, switched his career to the field of marketing, education, and administration. Served IIM, Rohtak as Senior Administrative Officer, ATDC, Gurgaon as Senior Deputy Registrar, Admin & HR, and as a Plant Head, Production Manager in manufacturing companies following vast technical and administrative experience. His qualifications include B.Sc., Diploma in Electronics and Radio Communication, MA, MBA, and PGDHRM. He is presently involved in drafting patents related to electronics and mechanical fields. The profile includes conducting prior art database searches for patentability, analysis of related patents and scientific papers and documents, consultation with clients/inventors, drafting patent applications etc. as a team member.

Deergha Aggarwal (Senior Associate - Software/Electronics/Mechanical Group)

Deergha is a Senior Associate and Patent Lawyer at Khurana & Khurana Advocates and IP Attorneys and of its Patent Research and Intellectual Property (IP) Asset Management Firm, IIPRD. With over 7 years of experience, Deergha has strong experience in IP Asset Management with focus on invention ideation and review, patentability assessment, inventor interview, patent drafting, and patent prosecution. Deergha has drafted and prosecuted hundreds of patent applications for US, EP, IN among other jurisdictions in technical domains including, but not limited to, consumer electronics, communications, software, semiconductors, cloud computing, communication protocols and standards, medical devices, AI-based technologies, VLSI circuits, etc. Deergha has trained and mentored numerous engineers on patenting, patent drafting, patent law, patent prosecution, etc. She also has experience in IP product management as a subject matter expert. Deergha has a Bachelors in Electronics & Communication**,** Bachelors in Law, and an MBA.

Karthick SK (Senior Associate - Software/Electronics/Mechanical Group)

Karthick is a Senior Associate at IIPRD and Khurana & Khurana, Advocates and IP Attorneys. Karthick graduated in Electrical and Electronics Engineering in 2018 and started his career as a Patent Analyst. Karthick has around 4 years of experience in search and analysis and has handled patent projects from Electrical, Electronics, Mechanical, Design domains. Karthick has also handled all the types of searches such as Patentability, FTO, Invalidity and Validity, Landscape and also has experience in market research. Karthick worked in the in-house IP team of a Drone manufacturer. He is a technology enthusiast and has design expertise. He has also completed online courses in WIPO and EPO.

Rakesh Ratnani (Senior Associate - Software/Electronics/Mechanical Group)

Rakesh is a Senior Associate at IIPRD and Khurana & Khurana, Advocates and IP Attorneys. A Mechanical Engineering Graduate and a Registered Patent Agent (India) with a diversified experience and having an edge in the technical fields of Mechanical, Civil, Electrical, IT, Electronics and Telecommunication Engineering. He has vivid knowledge in Patent Searching, Patentability, Invalidity,

FTO, Patent Drafting, Patent Prosecution, and Patent Landscaping. His forte lies in efficient Patent Research/Analytics and Patent Prosecution and Drafting.

Sangeetha V (Senior Associate - Software/Electronics/Mechanical Group)

Sangeetha is a Senior Associate at Khurana & Khurana Advocates and IP Attorneys and its Patent Research and Intellectual Property (IP) Asset Management Firm, IIPRD. Sangeetha has a Masters in Communication Engineering from BITS, Pilani and a total of around 11 years of experience in teaching and IP domain. Prior to her career in IP, Sangeetha worked in engineering colleges where she taught various subjects related to electronics and communication for undergraduate students. Sangeetha has around 6 years of experience in IP domain relating to prosecution, drafting, and searching both in-house and service organization. Sangeetha has drafted and prosecuted many patent applications for US, EP, among other jurisdictions in technical domains including, but not limited to, communications, electronic devices, computer networks, etc,. She has also handled many numbers of pre-filing searches in the field of 5G, mobile technologies, advertising strategies, etc. Sangeetha is also a recipient of the prestigious Women scientist-C scholarship for training in IPR from TIFAC (DST, Government of India).

Suganya S (Senior Associate - Software/Electronics/Mechanical Group)

Suganya is a Senior Associate at Khurana & Khurana Advocates and IP Attorneys and of its Patent Research and Intellectual Property (IP) Asset Management Firm, IIPRD. Suganya is an Electrical and Electronics Graduate and a Registered Patent Agent (India). With an experience of over 6 years, Suganya has strong experience in IP Asset Management with focus on invention ideation and review, patentability assessment, inventor interview, patent drafting, and patent prosecution. Suganya has drafted and prosecuted patent applications for IN among other jurisdictions in technical domains including, but not limited to, communications, semiconductors, cloud computing, communication protocols and standards, medical devices, AI-based technologies, etc.

SSV Phanindra (Senior Associate - Software/Electronics/Mechanical Group)

Mr. Phanindra is a Senior Associate at IIPRD and Khurana & Kharana. He has over 7 years' experience in Intellectual Property Rights. He specializes in various IPR domains, including Patent Drafting, Prosecution, Patentability Search, State-of-the-Art Analysis, Freedom-to-Operate Investigations, Landscape Analysis, and Infringement Analysis. He is a technology specialist in Electronics & Communication from SCET affiliated to JNTU Kakinada. He has worked in multiple related domains including IC circuits, industrial packaging, solar cells, mechanical, automobile technologies, robotics, electronics, telecommunication, AI and ML enabled systems, IoT enabled systems and other related domains. Previously, he worked with Prometheus IP and ipMetrix.

Bharath KN (Senior Associate - Software/Electronics/Mechanical Group)

Bharath is a Senior Associate at IIPRD and Khurana & Khurana. He has the capability to work in Patent Drafting (Provisional Specification and Complete specification), FER Response, and various types of Patent searches (Novelty, Patentability, Prior art, Claim chart analysis (Evidence of Use), Validity/invalidity, Infringement analysis, Landscape analysis, Freedom to Operate, Design search) in the domain of Electrical, Electronics, Flash memory, AI/ML, Neural network/Deep Learning, Telecom, Payment transaction, Blockchain, 5G, IoT, Chemical composition, Wireless Networking, Software Application, Consumer Products, Medical Devices, Lighting, Semiconductor Products, Wireless sensor networks, Automobile.

Kirti Menon (Associate - Software/Electronics/Mechanical Group)

Kirti is an Associate at Khurana and Khurana. Though relatively a new addition in the team, she has experience in the form of internships at Khaitan and Co. and Stratjuris Partners where she was involved in Patent Drafting and Office Actions response drafting. Having completed her Bachelor's in Computer Engineering from Pune Institute of Computer Technology, she also went on to complete her LLB from Government Law College, Mumbai. After a string of internships, she landed an offer from Ernst and

Young as a Legal Associate and also has a background in legal research and content writing. She currently works mostly with the Patent Drafting team in the domains of Computer Science and Electronics technology.

Astha Srivastava (Associate - Software/Electronics/Mechanical Group)

Astha is an Associate at Khurana & Khurana, Advocates and IP Attorneys (K&K) and IIPRD. She pursued M.Tech. in Nanoscience and Technology from Delhi Technological University (formerly DCE), Delhi. She has done her B.Tech in Electrical Engineering from Madam Mohan Malviya University of Technology(MMMUT), Gorakhpur, UP. She has presented paper on “Green Electricity using Photovoltaic Cell: A Review” at National Conference on Emerging Trends in Electrical Systems. She had secured 1st position in paper presentation on “Strategic Minerals” in IIT-BHU in METTLE. She has started as a fresher with Khurana & Khurana in patent drafting.

Cicily Shilpa A. S (Associate - Software/Electronics/Mechanical Group)

Cicily Shilpa is an Associate with Khurana & Khurana and has 7 years of experience in dealing with patent search, patent drafting, FTO, landscape, invalidity, infringement analysis, state-of-art (SoA), design search, evidence of use (EoU), Office Action Responses and filing in electronics/software field. She has worked in domains like Electronics, Telecommunication, Software, Mechanical, Instrumentation, Automobile, Semiconductor, and Electrical for patent research, drafting of defensive publications and office action projects. Cicily holds a bachelors’ degree in Electronics and Communication Engineer and is a Registered patent agent. Prior to Khurana & Khurana, she has worked with Molecular Connections Pvt. Ltd, Maxval IP ventures Pvt. Ltd and Remfry and Sagar Law firm.

Ramakrishnan A (Associate - Software/Electronics/Mechanical Group)

Ramakrishna is an Associate at Khurana & Khurana, Advocates and IP Attorneys (K&K) and IIPRD. He has 4 years of experience in IP domain and has worked in technologies related to Mechanical, Electro-Mechanical, Software technologies etc. He has an expertise in responding to the First Examination Report and Hearing Notice, Drafting Provisional and Complete Specification, Patentability search. Previously, he worked with K&S Partners, Bangalore, and L S Davar & Company, Kolkata. He has a mechanical core working experience in the manufacturing of automotive transmission components in TVS Sundaram Fasteners Ltd, Chennai. He holds his Bachelor's Degree in Mechanical Engineering.

Dr. Gargi Baruah (Associate - Software/Electronics/Mechanical Group)

Gargi is a Patent Associate at IIPRD and Khurana & Khurana since 2020. Before that, she had worked briefly as a hardware engineer at TerraBlue XT, a startup specializing in wearable healthcare, and also worked as an assistant professor for about a year at RV College of Engineering (ECE Dept.), Bangalore. She did her M.Tech (Electronics from Tezpur Central University (Gold medalist) and completed her PhD in Electronics and Electrical Engineering from IIT Guwahati specializing in control systems. She has also authored/co-authored 13 publications in peer-reviewed international journals and conference proceedings.

Gauthami A C (Associate - Software/Electronics/Mechanical Group)

Gauthami is an Associate in Khurana & Khurana and IIPRD. She has more than 5 years of experience in dealing with different domains of IPR such as Drafting, Prosecution, Patentability Search, Landscape Analysis, Freedom-to-Operate, and Infringement analysis. She did her M.Tech in Computer Networks and B E in Information Science and Engineering. She has worked in different technology areas such as Computer Networks, Cloud Computing, and Artificial Intelligence and so on. She has worked in K&S Partners and Law Firm of Naren Thappeta.

Sramana Mittra (Associate - Software/Electronics/Mechanical Group)

Sramana is a Patent Associate at Khurana & Khurana Advocates and IP Attorneys. She has completed her LL.B. in Intellectual Property Law from RGSOIPL, IIT Kharagpur. She has attained a Bachelor’s

Degree in Information Technology from the Government College of Engineering and Textile Technology Serampore (West Bengal University of Technology). She has previously worked as a Patent Associate at Saikrishna & Associates and has also been a Programmer Analyst at Cognizant Technology Solutions Pvt. Ltd.

Aruna Nayak (Associate - Software/Electronics/Mechanical Group)

Aruna is an Associate working with Khurana & Khurana, Advocates and IP Attorneys (K&K). She has done her master's degree in Bioenvironmental Engineering from UIUC (University of Illinois at Urbana Champain), USA. Initially she worked on fuel cells in the department of NPRE, UIUC, USA and later went on to do my Masters in Bioenvironmental Engineering from UIUC, USA. She has worked as a System Engineer with specialization in Diesel Exhaust After treatment, later she, worked with UNR, Nevada as a Research Associate, focusing more on Bioenvironmental applications. Additionally, she has expanded her experience to the software domain, while specializing in Automotive Engineering.
